General Google Slides Directions:

1. Please sign in with your Google account.
2. Please click "make a copy" and a copy of the presentation will automatically be saved to your Google Drive.
3. To use the interactive features of the presentation, please make sure that you are in "edit mode," not in "presentation" full-screen mode.

How to Use the Presentation:

- This presentation is customizable and editable. Every single text box, besides the main titles on each slide, is editable. All of the sample photos that I included can be deleted and replaced with yours.
- First, please choose the title slide that best fits your race/gender and the number of counselors that you have. Then, simply click on the rest of the title slides and delete them since you won't need them for your presentation.
- Next, if you have only 1 counselor in your building, please delete the duplicate of the slides "Meet Your Counselor!" and "Let's Be Friends!" If you do have 2 counselors, please use the separate slides to introduce each counselor.
- On the "Meet Your Counselor!" slide, please type your name into the editable text box and insert your photo into the frame. To insert your photo, first delete mine, then click "Insert," "Insert Image," and "Upload from computer." Then, select a saved photo of yourself from your desktop/"my pictures" and insert it into the frame. You can also type in the text box information about yourself.
- On the "Let's Be Friends!" slide, please type in more information about yourself. Then, please type in your contact information. Next, please delete my sample photos, and add in your own following the same directions as before. All of the text boxes are editable, so you can choose to introduce different parts of yourself than what I chose if you'd like!
- On the remaining slides, all of the text boxes are editable. Feel free to alter the information as you see fit!
- Please make sure to type in your school-specific referral process.
- Questions? Please contact me at laura@musiccitycounselor.com.
- PS I so appreciate when you please leave feedback on my resources. It earns you credits towards future purchases, helps other educators find quality resources, and helps my small business grow! 😊
