- 1) This lesson teaches all about friendship and how to be a kind friend. First, students will hear an Irish proverb that explains that the best ship in all of the sea is "friendSHIP." I love using this metaphor to teach children how to let their friendSHIPS "set sail" and make kind, respectful, helpful choices so that others want to "join their crew." If they make unkind, selfish, or disrespectful choices, on the other hand, their friendSHIP will run into rough waters and may "shipwreck." Next, students will learn 9 ways to be a kind friend and let their friendSHIPS set sail. Then, an interactive activity lets students read 20 scenarios and decide whether it is a "smooth sailing" (kind, good choice), or a "shipwreck" (unkind, poor choice). Then, they drag the ship's wheel to the box that matches their answer. On the last slide, students can type in the text box about how to be a kind friend.
- 2) A PowerPoint and printables are included in the zip file, too!
