

GIFT OF KINDNESS

The holiday season is the perfect time to encourage generosity. Generosity is not just about giving physical gifts, it can also be about giving the gift of kindness. A simple smile or compliment can change a person's whole day. Have students think of three ways that they can give the gift of kindness and have them write it on the gifts on the next page. Encourage students to share what their chosen kind acts are.

Display it in your office, classroom, or bulletin board to encourage others to show kindness.

*Tip: Use the black and white version and have the students color it.
