I love to use "Merry Messages" to spread kindness, holiday cheer, love, and gratitude among my students and faculty. They are a great morale boost during the holiday season! This resource offers both a Christmas and a winter theme – please choose which one works best for your school community! A poster and two choices for message size (half page and quarter page) are included for both themes. A digital for Google Slides version is included in the zip folder, too.

There are infinite possibilities for how to use these materials, but some ideas include:

- For a digital morale boost and act of kindness during distance learning
- Outside of a counselor, teacher, or principal's door for teachers and students to grab and send to each other
- As part of a kindness or compassion lesson
- As a bulletin board or hallway display
- As part of a school-wide kindness initiative or service project
- As a morale boost at a faculty meeting or faculty Christmas party
- For parents to send their child as part of a school fundraiser

I would LOVE to hear how you use these materials and see a picture of them in action at your school! Please email me at laura@musiccitycounselor.com to share or ask any questions!

PS I SO appreciate when you please take a moment to leave a review on my resources. It earns you credits towards future purchases, helps other educators find quality resources, and helps my small business grow!
