ASCA MINDSETS + BEHAVIORS

Category 1: Mindset Standards

- M 6: Understanding that postsecondary education and life-long learning are necessary for long-term career success.

Category 2: Behavior Standards

- B-LS 7: Identify long- and short-term academic, career, and social/emotional goals.

DIRECTIONS PAGE I:

This lesson will take approximately 45 minutes to teach.

Recommended Sequence:

1. Review the PowerPoint or digital for Google Slides™ presentation.
2. Review the instructional posters and display them in your space.
3. Choose a craft, writing activity, worksheet, or coloring page to close the lesson.

Materials Needed:

- Printable materials
- Crayons or markers
- Scissors
- Glue sticks
- Pencils

PowerPoint Presentation:

This presentation introduces students to Chilly the Snowman who wants to learn about what he can be when he grows up. He visits 14 different community helpers who each teach him about their job. The last slide asks students which career they think Chilly should choose, and which one they would choose. Students can "Turn & Talk" with a partner about their responses and then share them out with the group. A link to a digital for Google Slides™ version of the presentation is also included in the zip folder.

Posters:

2 posters are included that display all 14 of the Snowmen Community Helpers. Review these with students and display them in your space!

Writing Craft:

A craft for each of the 14 careers is included. Ideally, please let students choose the career that they would most like to be, and give them that craft. If that's not possible, you can randomly assign a craft to students to complete. Then, they can write on the lines why

DIRECTIONS PAGE 2:

they like that career. Next, they can color the community helper snowman. Finally, they can cut out the snowman and writing box.

Please see the included sample.

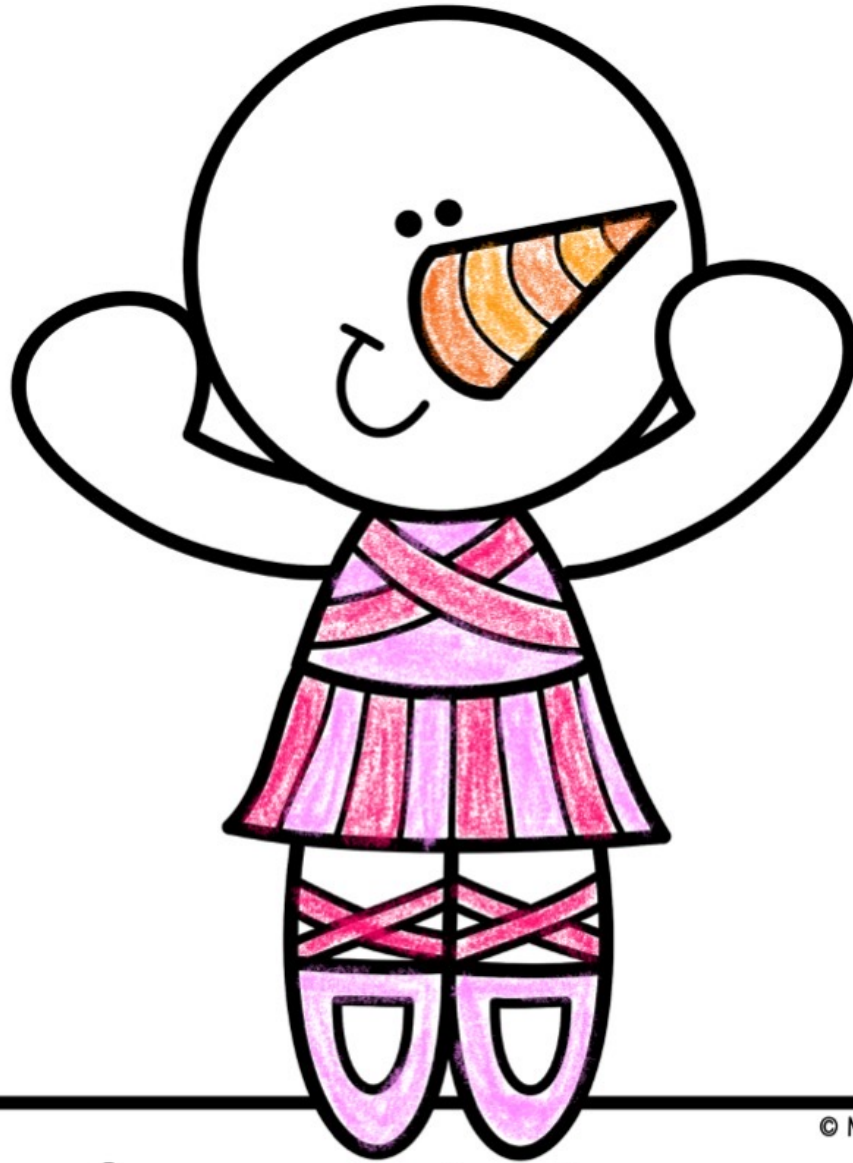

Craft, Worksheets, & Coloring Pages

Assorted worksheets, coloring pages, and another craft are included. Two of the pages ask students to draw/decorate the snowman in the uniform for the community helper they want to be, and write the name of it on the line. On the larger snowman, students can decorate it and then cut it out. Please see the included sample.
