Sweet Friends Directions:

- This presentation teaches students 10 ways to be a Sweet Friend. Each piece of candy represents one way.
- As you go through the presentation, grab the piece of Sweet Friends candy that matches the trait on the slide. Show it to students, then add it to the Candy Jar Poster by attaching it with a hook-and-loop fastener dot (see included directions in the printables file).
- The last slide asks students how they can be a Sweet Friend. They can type directly in the text box that says, "Type here."
- A PowerPoint version of the presentation and more printables are also included in the zip folder.
