Directions Page 1:

This lesson will take approximately 45 minutes to teach.

Recommended Sequence:

- Review the PowerPoint or digital for Google Slides presentation.
- Review the discussion cards in small groups or whole group.
- Complete the craft, a worksheet, or a coloring page.
- Display the posters in your space if you'd like!

PowerPoint Presentation:

This presentation teaches students the meaning of kindness and how to be kind to others. It first reviews the definition of kindness. Next, it tells the story of a little girl named Keisha who shows kindness to her bus driver, teacher, and classmates. Keisha learns that small acts of kindness can make a big impact! After the story, the presentation offers 3 discussion questions for students to "turn and talk" with a partner. Then, students learn 12 ways to be kind, and how kindness feels for both us and the recipient of our kindness.

Discussion Cards:

12 discussion cards are included in both full color and black/white. You may choose to ask students to discuss these in small groups or large group. They review the story, the meaning of kindness, and help students connect the material to their own lives.

Craft:

10 versions of an adorable craft are included. 5 boys and 5 girls are offered for the clipart topper kids. And primary lines and regular lines are included for the writing portion. Please let students choose the clipart kid that looks the most like them. Please give each student a page with the clipart kid and a page with the "Kindness Means to Me" frame. First, students color the clipart kid and the "Kindness Means to Me" frame. Then, they write on the lines what kindness means to them. Next, they cut out the clipart kid topper. Finally, they glue the clipart kid topper to the top of the "Kindness Means to Me" page as shown in the sample on the next page. These would make for an adorable bulletin board or hallway display!

Posters:

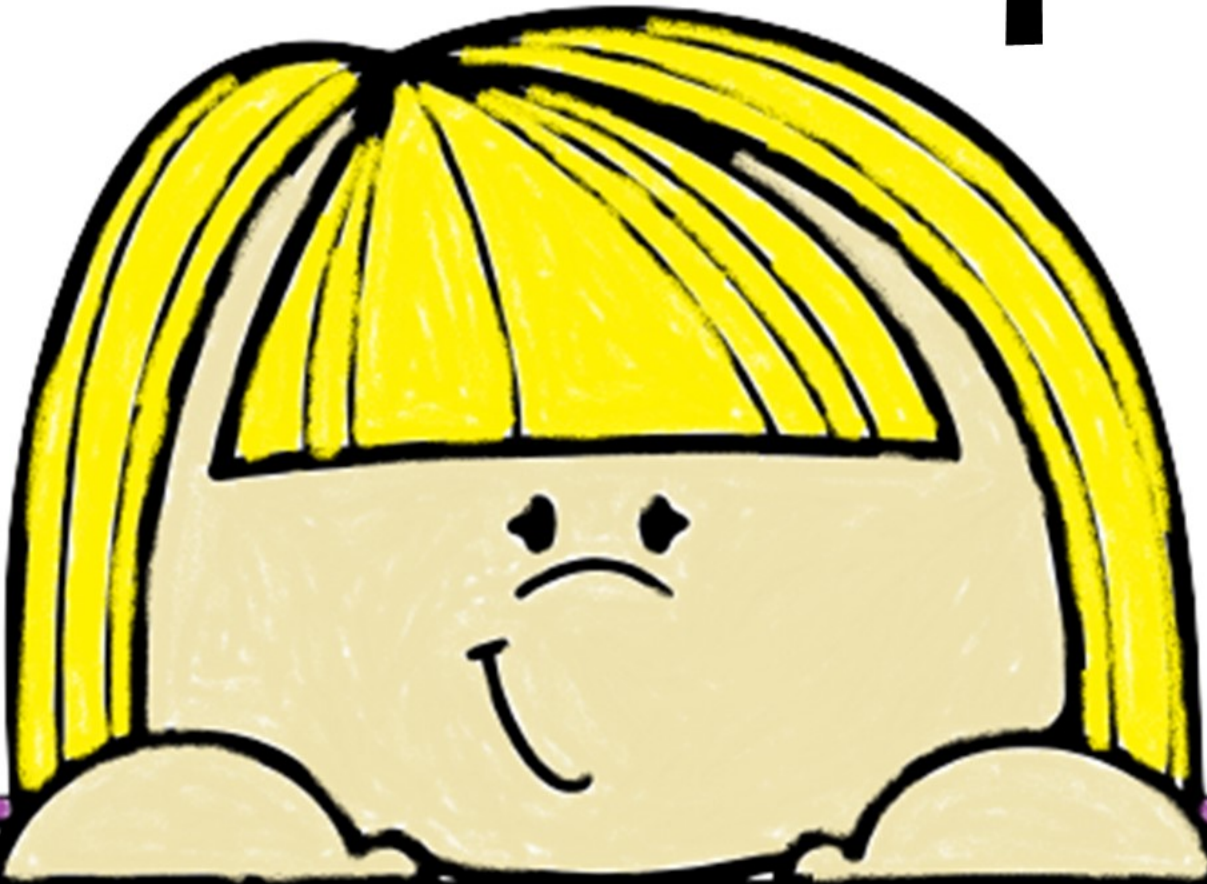

4 posters are included that are perfect for instruction, reviewing the material, and to display in your space!

Worksheets & Coloring Pages:

2 worksheets and 9 coloring pages are included that review kindness with students. Please choose the pages that best fit the needs of your students and the amount of time that you have.

PS I SO appreciate when you please take a moment to leave a review of my resources on my TpT store. It earns you credits towards future purchases, helps other educators find quality resources, and helps my small business grow! ☺
