# How to Use the Digital Certificates:

- 1) Please click on the link below to access the digital certificates:  
<https://docs.google.com/presentation/d/1iq-KW2FIUUNX8u0qXcCWfIQ09Mrt9uzlBVcSwXkOMBY/copy>
- 2) Please sign in with your Google account.
- 3) Please click "make a copy" and a copy of the document will automatically be saved to your Google Drive.
- 4) If you are using Google Classroom, you can post the certificates to your virtual classroom and/or assign them to your students.
- 5) If you are not using Google Classroom, you can post the resource to the virtual platform that you are using, or email the link directly to students. If you email the link to students, please make sure that they or their parents have a free Google account first. They will click on the link, sign in with their Google account, and then a copy of the certificates will automatically be saved to their Google Drive. They can then use any device (tablet, smart phone, computer) to access the resource.
- 6) The certificates are organized with a **monthly core value** and then **3 weekly character traits** that go along with and elaborate on the monthly core value. I like to present the core value the first week of the month and then each of the 3 weekly traits during the following weeks. But you can make the program your own and use whichever certificates best fit your school needs!
- 7) Questions? Need different character words? Please contact me at [laura@musiccityschoolcounselor.com](mailto:laura@musiccityschoolcounselor.com). I'm here to help!
- 8) Prefer a PDF? That is included in the zip folder, too!
- 9) PS I so appreciate when you leave feedback on my resources. It helps other educators find quality resources and helps my small business grow! 😊
