

COREY THE CITIZENSHIP HERO

Hi, I'm **Corey the
Citizenship Hero!**
I may seem like an
ordinary boy, but
there's something
very special about
me. I have
Citizenship Power!

Every day, I look for ways to show good citizenship. **One way I do this is by taking care of my community.** On my walk to school, I saw some trash on the ground. **My Citizenship Power glowed!** I picked it up and put it in a trash can.

When I got to school, I noticed a new student who seemed unsure where to go. My Citizenship Power glowed! I always help others. I asked, "Do you need help finding your classroom?" She said, "Yes, please," and we walked together.

On the way to our classroom, my teacher Miss Lawrence dropped a big stack of papers. My Citizenship Power glowed! I always do the right thing. I said, "It's okay, I've got this!" and leaned down to help her gather up the papers.

In morning meeting, Miss Lawrence asked us to share how we're feeling today. I really wanted to share! My Citizenship Power glowed. **I follow the rules.** Rather than interrupt or shout out, I waited patiently for her to call on me.

In computer class, I sat down at my computer. My Citizenship Power glowed. I am respectful. I respect my teacher by patiently waiting for her directions and listening. I respect our classroom equipment by treating it with care.

In the lunch line, I accidentally bumped into Sammy. He dropped his tray and his lunch spilled on the floor! My Citizenship Power glowed. I own my choices and fix my mistakes. "I'm so sorry Sammy," I said. "Let me help you clean up and order another lunch."

At recess, Finn was sitting under a tree alone. My Citizenship Power glowed. I include others and make sure everyone feels like they belong. I asked Finn if he wanted to play tag with me. He smiled and said, "Tag! You're it!"

In Social Studies class, my teacher asked us for ideas for a school-wide service project. My Citizenship Power glowed. I love helping my community! I suggested that we do a canned food drive to collect food for families in need.

At the end of the day, my teacher said, "Corey, you're such a Citizenship Hero!" I smiled and said, "The truth is, anyone can be a Citizenship Hero. You don't need a cape or a badge. You just need a heart for your community."

HOW CAN YOU BE
A CITIZENSHIP
HERO TODAY?
