# DIRECTIONS:

This folded craft activity teaches students all about attendance. It's a great resource to use in lessons, with individual students, and with small groups of kids that need support with their attendance.

I included both a blank inside page and an inside page full of text. You may choose to have students create the resource with the text written in OR you may prefer to have students write in the text themselves as you teach it and/or in their own words.

## MATERIALS NEEDED:

- Printed materials
- Glue sticks
- Scissors
- Pencils
- Crayons or markers

## TO MAKE THE FOLDED ACTIVITY:

1. Please see the sample on the next page!
2. Please print the front labels page and the inside page of your choice (with or without text).
3. Please color the front labels with markers or crayons.
4. Please cut out each of the front labels individually.
5. On the inside page, please cut along the dotted lines so you have 6 attached strips.
6. Please fold each of the 6 strips that you just cut in towards the "All About Attendance" title.
7. Please glue each of the front labels onto the front of the strips. Please make sure they're glued in the correct order, so the outside labels match the inside labels and descriptions.

Questions, comments, or suggestions? Please contact me any time at [laura@musiccitycounselor.com](mailto:laura@musiccitycounselor.com). I'm here to help! 😊

PS Please take a moment to leave a review on this resource on my TpT store!

## Why is attendance **IMPORTANT?**

School is your JOB! Going every day helps you learn, grow, and do your best. When you're there, you can keep up with your lessons, practice new skills, and connect with friends.

## What are attendance **BARRIERS?**

Something that makes it hard for you to get to school. Examples are feeling sick, sleeping in, having trouble getting a ride, missing the bus, going on vacation, or conflict with peers.

## What is the impact of **CHRONIC ATTENDANCE?**

When you miss a lot of school, it's harder to keep up with lessons, homework, tests, and fun activities with your friends. It makes learning and making friends much more difficult!

## Attendance Tip #1: **PREP AT NIGHT**

Prepare everything you can the night before. Make sure your homework is done and in your folder. Pack your lunch. Set out your clothes before you go to bed.

## Attendance Tip #2: **SET ROUTINES**

Set AM and PM routines – and stick to them! Use alarms. Go to bed and wake up at the same time each day. Give yourself time to eat breakfast and get ready so you're not rushed.

## Attendance Tip #3: **ASK FOR HELP**

If something makes it hard to go to school, like needing a ride or trouble with peers, tell a grown-up you trust so they can help you. It's hard to solve attendance problems on your own!
