How to Use this Resource without Google Classroom

This activity can be used by anyone that has a Google account. If your student/their parent does not have a Google account, please ask them to make one (it is free!) Directions for student use are provided in the activity itself (on the last slide!)

- Please email your students (or their parents) the link to the resource (on the previous page!).
- Ask them to sign in with their Google account and click "make a copy" to copy the resource to their Google Drive.
- They can now use the activity on their iPad, computer, or smart phone. Any changes that they make to the activity will be saved automatically.
- To use the drag and drop feature, please click on the object (circle, X, or piece of food) first to select it. Then, drag it with your finger (if on a touch screen device) or mouse (if on a computer).
- On the pages with text boxes, students can type directly in the box.
- To complete the maze and word search, students will use the "scribble" tool in Google Slides. Please note the screenshot provided in the directions on the activity itself to see where to find this tool!
- If you would like to students' their answers at a later time, they can send their responses to you in one of two ways:
 - Click on the yellow "share" button in the top right hand corner and share the resource with you via email
 - Go to "File," "Email as attachment" and send the resource back to you.
