How to Use the Digital Resources:

1. These resources can be used as part of a school, grade level, or class-wide SEL/character education program. I recommend assigning one social skill to each month of the school year. All month long, your school can focus on that skill during your morning announcements, morning meetings, classroom counseling lessons, assemblies, etc. You can share the poster in your virtual classroom, on your school's social media pages, or on a bulletin board.
2. Digital certificates are included that you can give to students who are "caught" making an exceptional effort at the Social Skill of the Month! You can type directly in the text boxes.
3. Printable posters, as well as a coloring book and activity book, are included in the other file.
4. Questions? Please contact me at laura@musiccitycounselor.com. I'm here to help!
5. PS I so appreciate when you please leave feedback on my resources. It helps other educators find quality resources and helps my small business grow! 😊
