1. Sign in with your Google account.
2. Click "make a copy" and a copy of the activity will automatically be saved to your Google Drive.
3. I wanted the first slide of the presentation to represent you and your counseling department. Please find the slide that most looks like you (and your co-counselor if you have one!) and press the "delete" button on your keyboard to delete the rest!
4. Please personalize the "My School Counselor" and "My School Counselor's Favorites" pages. If you have two school counselors, I included these pages twice so each counselor can personalize them. The text boxes are editable to type in your own information. To insert your own photos, please click on my sample photos and press "delete." Then, go to "Insert," "Image," "Upload from my computer" and select the image that you want. Then, please drag your photo to the frame and resize it to fit.
5. Several interactive activities are included. Students can type in their responses in the text boxes. They can also click and drag the circles to their responses.
6. ****Please be sure that you are using this activity in "Edit Mode," (the way it looks when you first open the document with the little preview of each slide on the left), NOT in full-screen presentation mode.
7. Lots of printables are included in the other files – feel free to use those after the presentation if you'd like!
