DIRECTIONS:

This resource includes 43 careers posters in full color and black and white/grayscale.

The posters are in alphabetical order for you.

Each poster provides a career description, skills and education needed, job outlook, approximate pay, and workplace details.

These posters are great to display on a bulletin board and use in instruction to build career awareness skills!

Questions, comments, or suggestions?

Please contact me any time at

laura@musiccitycounselor.com. I'm here to help!

PS I would SO appreciate if you could please take a moment to leave a review on this resource in my TpT store! It earns you credits towards future purchases, helps other educators find quality resources, and helps my small business grow! 😊

SCIENTIST

CAREER DESCRIPTION:

Scientists study the world to understand how it works. They ask questions, investigate mysteries, and find solutions to improve life for people, animals, and the planet. Scientists study many different things, like space, nature, health, technology, chemistry, and physics. A scientist's daily tasks can range from looking through a microscope to climbing mountains to going to outer space, depending on their specialty!

SOCIAL WORKER

CAREER DESCRIPTION:

Social workers support people during tough times. They help individuals and families solve problems, stay safe, and get the resources they need to live healthy and happy lives. Social workers can help when someone is going through family struggles, big changes, financial problems, stress, bullying, abuse, or trauma. Social workers teach skills, connect people with resources, and offer encouragement to people in need.

SPEECH THERAPIST

CAREER DESCRIPTION:

Speech therapists work with kids and adults who have trouble speaking, understanding language, or swallowing safely. Their main goal is to help people express themselves and be understood, which makes a big difference in school, work, and everyday life. Speech therapists might help someone who has trouble saying certain sounds or words clearly, stutters, struggles to understand what others are saying, or needs help after an illness or injury.

TEACHER

CAREER DESCRIPTION:

Teachers help students learn new things, grow their skills, and reach their goals. They explain ideas in ways that are easy to understand, create fun activities, and encourage kids to do their best. They teach subjects like math, reading, social studies, and science. Teachers also help students build confidence, solve problems, and learn how to work well with others. Teachers support their students every day, both inside and outside the classroom.

VETERINARIAN

CAREER DESCRIPTION:

A veterinarian is an animal doctor. They help keep pets, farm animals, and wild animals healthy. Vets check animals for sickness, give them shots to prevent diseases, perform surgeries, and help when an animal is hurt. They also teach pet owners how to take good care of their animals. Veterinarians can work in animal hospitals, farms, and zoos. Their main goal is to prevent sickness, treat injuries, and help animals live long, healthy lives.

- BUSY, UNPREDICTABLE

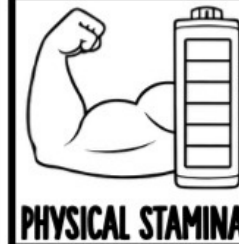

WELDER

CAREER DESCRIPTION:

Welders are metal workers who join pieces of metal together using heat, sparks, and special tools. They build and repair bridges, cars, ships, airplanes, buildings, pipelines, and machines. Without welders, many of the structures and vehicles we rely on every day wouldn't exist or be safe to use. It's a great career for someone who likes hands-on work, solving challenges, and building things that last for many years.

- MANUFACTURING
- CONSTRUCTION SITES
- HANDS-ON, NOISY, HOT

ZOO KEEPER

CAREER DESCRIPTION:

Zookeepers care for animals in a zoo or wildlife park. They are animal caregivers and protectors. Zookeepers make sure animals are healthy, safe, and comfortable. They also teach visitors about wildlife and why it's important to protect it. Zookeepers help animals in captivity live happy lives and work to teach people about conservation (how to protect animals, their habitats, and the environment).
