

Let's Collab!

Have students color in each New Year's ball every time they complete a task towards their goal. For example, if their goal is to do their homework every day, they should color in a ball each time they finish their homework. This encourages goal completion and helps form habits!

NEW YEAR-NEW HABITS

Think of a habit you want to create. Color in the New Year's Balls every day you complete the goal. It takes 21 days (on average) to form a habit.
