Make a copy

3 Go to your Google Drive and locate the copy of the file. You can rename the file at this point or add/delete slides.

4 Next, go to your Google Classroom and add an assignment. Select the Google Drive Symbol and select the resource you want to assign.

5 From here, you should see a grey box that says “Students can view file.” Click the grey box. A dropdown menu should appear. Select, “Make a copy for each student.”

YOU HAVE TO MAKE A COPY FOR EACH STUDENT!

Otherwise they will all be editing the same file.

Click “Assign” in the top right corner if you’re ready to post!

This product is meant to be used in “edit” mode (not “presentation” mode). Edit mode is the only mode that allows drag & drop and writing in text boxes.
