<https://docs.google.com/presentation/d/1l7kMSa6X1Hm4WS2QkeMht1Y88jfkI4Q9Z9NEGHnSDpo/copy>
- 2) Please sign in with your Google account.
- 3) Please click "make a copy" and a copy of the document will automatically be saved to your Google Drive.
- 4) If you are using Google Classroom, please assign the activity as an assignment to your students.
- 5) If you are not using Google Classroom, you can post the resource to the virtual platform that you are using, or email the link directly to students. If you email the link to students, please make sure that they or their parents have a free Google account first. They will click on the link, sign in with their Google account, and then a copy of the activity will automatically be saved to their Google Drive. They can then use any device (tablet, smart phone, computer) to access the resource.
- 6) This activity includes 17 poems or riddles that describe careers. Students will pretend to be "career detectives" and try to use the clues to guess which career the riddle is describing. Young children will need the poem/riddle read aloud to them. There are 3 career responses to choose from for each riddle. To answer the riddle, students will touch (on a tablet) or click (on a computer) on the magnifying glass and drag it on top of the career that they choose.
- 7) On the last slide, students can type directly in the text box to answer what they would like to be when they grow up.
