# ASCA Mindsets & Behaviors:

## Category 1: Mindset Standards

- M4: Understanding that postsecondary education and life-long learning are necessary for long-term career success.

## Category 2: Behavior Standards

- Learning Strategies:
  - B-LS 7: Identify long- and short-term academic, career, and social/emotional goals

# Directions:

## Recommended Sequence:

- Review the PowerPoint or digital for Google Slides™ presentation.
- Use the posters in instruction or to display on a bulletin board.
- Options (you choose!):
  - Give students a copy of the color mini book.
  - Give students a copy of the mini coloring book to color.
  - Give students a copy of the full-page coloring book to color.

## PowerPoint Presentation:

- In this presentation, "Finn" takes students on a tour of his town called Fingerprint Falls. Finn introduces students to 15 different community helpers. He teaches us about each of their jobs.
- After the tour, students can think about what they want to be when they grow up. They can share their ideas with the group.

## Posters:

- 15 community helper posters are included. These would make for a beautiful bulletin board!

## Mini Book:

- A mini half-page book that shows each of the community helpers is included in full color and black/white.
- The full color version can be read like a little book, and the black/white version can be a coloring book.

## Coloring Book:

- A full-page coloring book that features each community helper is included.
- On the last page, students can write and draw about what they want to be when they grow up.
