GOOGLE SLIDES

Your resource comes with a digital version for use in Google Slides via Google Classroom. Follow these steps to upload your resource.

1 Click here  [Community Helpers](#)

2 You will be prompted to make a copy of the resource. Click on the blue box that says “Make a copy” and the resource will go directly into your Google drive.

Google Drive

Copy document

Would you like to make a copy of Career Interest Inventory?

Make a copy

3 Go to your Google Drive and locate the copy of the file. You can rename the file at this point or add/delete slides.

4 Next, go to your Google Classroom and add an assignment. Select the Google Drive Symbol and select the resource you want to assign.

5 From here, you should see a grey box that says “Students can view file.” Click the grey box. A dropdown menu should appear. Select, “Make a copy for each student.”

YOU HAVE TO MAKE A COPY FOR EACH STUDENT!

Otherwise they will all be editing the same file.

Click “Assign” in the top right corner if you’re ready to post!

This product is meant to be used in “edit” mode (not “presentation” mode). Edit mode is the only mode that allows drag & drop and writing in text boxes.

Community Helpers

Session Objective:

*Students will identify different community helpers.

Materials:

*Handouts, scissors, pencils, glue.

Guiding Questions:

*What are some community helpers we see around town?
*What do you want to be when you grow up?

Instructions:

*Use the workbook to teach about each Community Helper. The google slides can also be shown while you are teaching this to provide visuals. Pocket Chart elements can also be used for each community helper to teach the lesson. Cut the workbook along the dotted line, have students cut and paste the correct tools and clothes to the community helper.

*Use the worksheets to further the learning about each community helper. Have students draw a line to match the correct community helper to their tool, vehicle, hat, or shoes.

*Shapes Craft: Have students cut the shapes and accompanying parts and glue together the head, body shape, arms, shoes, and accessory.

*Posters can be displayed in the classroom or office, they can also be used as coloring sheets when printed in black and white. Students should pick a community helper they want to be when they grow up and display them. Print this in black and white and have the students color them.

ASCA Standards Alignment:

*Mindset: Positive attitude toward work and learning. (M 3)
*Behavior: Self-Management Skills: Responsibility for self and actions (B-SMS 1)
*Behavior: Learning Strategies: Critical thinking skills to make informed decisions (B-LS 1)
*Behavior: Social Skills: Ethical decision making and social responsibility (B-SS 5)

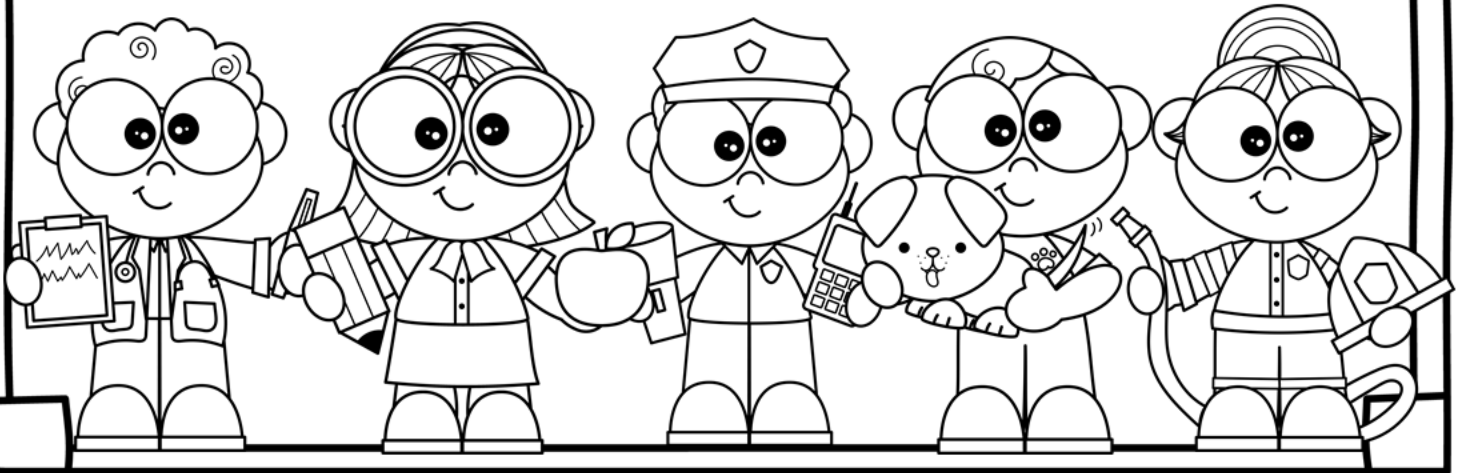

SEL Competencies:

*Social Awareness: Respect for others, perspective-taking.
*Relationship Skills: Communication.
*Responsible Decision-Making: Identifying problems, analyzing situations, solving problems, evaluating.
