DIRECTIONS:

This Halloween seek-and-find activity focuses on feelings identification.

To play, students count how many of each feelings face they can find, then write the number on the line at the bottom.

6 feelings are included for each design: happy, sad, angry, nervous, surprised, excited, grumpy, and scared.

6 different clipart options are included: ghosts, candy corn, spiders, vampires, witches, and Frankenstein.

Questions, comments, or suggestions? Please contact me any time at laura@musiccitycounselor.com. I'm here to help!

PS I SO appreciate when you please take a moment to leave a review on my resources on my TpT store. It earns you credits towards future purchases, helps other educators find quality resources, and helps my small business grow! 😊
