[https://docs.google.com/presentation/d/1j087RR2HO5PsmeU7FLNt-XhUYecAzhAuqJCdIctvE\\_E/copy](https://docs.google.com/presentation/d/1j087RR2HO5PsmeU7FLNt-XhUYecAzhAuqJCdIctvE_E/copy)

- 2) Please sign in with your Google account.
- 3) Please click "make a copy" and a copy of the document will automatically be saved to your Google Drive.
- 4) If you are using Google Classroom, please assign the activity as an assignment to your students or post it to your Google Classroom.
- 5) If you are not using Google Classroom, you can post the resource to the virtual platform that you are using, or email the link directly to students. If you email the link to students, please make sure that they or their parents have a free Google account first. They will click on the link, sign in with their Google account, click "make a copy," and then a copy of the activity will automatically be saved to their Google Drive. They can then use any device (tablet, smart phone, computer) to access the resource. They will have their own copy of the activity that they can edit and interact with. If you'd like to see their responses, students can click on the yellow "share" button in the top right hand corner, type in your email address, and send their copy of the resource to you.
- 6) To use the Recess Friend or Recess Queen activity, students first read the scenario. Then, they touch (or click) on the crown and drag it to the box to show whether the behavior is a Recess Friend or a Recess Queen choice. Please make sure to use the interactive activity in "edit" mode – not in full-screen presentation mode. If you try to use it in presentation mode, it will just click to the next slide!
