○ **General Google Slides Directions:**

1. Please sign in with your Google account.
2. Please look at pages 4 - 13 and choose the clipart counselor that looks most like you. Then, click on the tablet image on that page and the Google Slides™ presentation will pop up.
3. Please click "make a copy" and a copy of the presentation will automatically be saved to your Google Drive™.

Please make sure you are using the presentation in "edit-mode" NOT in full-screen "presentation mode."

○ **Parts of the School Counselor Lesson Directions:**

- This presentation teaches students all about the role of the School Counselor. 10 different presentations are included to reflect different genders and races. Please choose the clipart character that looks the most like you.
- Students learn about 7 "Parts of the School Counselor." Each part teaches one way that school counselors help students.
- On the second slide, please add in your name and type in the "all about me" section. Please also add in your photo on the empty frame. To do so, please go to: Insert → Image → Upload from computer → Choose your photo → Open → Drag it to the frame and resize it to fit.

- 7 parts of the School Counselor props are included, one for each body part. I like to tape these to a popsicle stick and

hold them up as I teach each part of the School Counselor. You can also use them as a guessing game – ask students to guess how counselors use it before explaining it. These also make for a great review afterwards – show the body part and ask students to recall how you use it.

- The last slide asks students to share how their School Counselor can help them.
- A PowerPoint presentation and printables are also included in the zip folder.
- Questions, comments, or suggestions? Please contact me

any time at laura@musiccitycounselor.com. I'm here to help

- PS I so appreciate when you please take a moment to leave feedback on my resources. It earns you credits towards future purchases, helps other educators find quality resources, and helps my small business grow! 😊
