# DIRECTIONS PAGE 1:

This lesson will take approximately 45 minutes to complete.

## Materials Needed:

- Printed materials
- Scissors
- Crayons or markers
- Pencils
- Glue sticks

## Recommended Sequence:

1. Review the PowerPoint or digital for Google Slides™ presentation.
2. Review the instructional posters and display the bulletin board if you'd like.
3. Complete the writing activity, design your own superhero cape, a worksheet, or a coloring page of your choice.

## Presentation:

Both a PowerPoint and digital for Google Slides™ presentation are included. This presentation is a story about a little girl named Rae the Responsibility Hero. It shares 8 different scenarios in which Rae makes a responsible choice. Each time she makes a responsible choice, Rae's Responsibility Power on her badge "glows." In the end, Rae explains that anyone can be a Responsibility Hero. You don't need a badge or a cape, you simply need a responsible heart. The last slide asks students how they can be a Responsibility Hero. I recommend asking students to "Turn & Talk" with a neighbor then share out their responses with the class.

## Posters:

8 beautiful posters are included that review 7 different ways to be responsible. Feel free to use these in instruction and display them in your space.

# DIRECTIONS PAGE 2:

## Bulletin Board:

Printable letters that say, "Responsibility Heroes" are included. Please cut them out. A printable Rae is included over 4 different pages to enlarge her. Please cut her out then glue or tape her together. 8 different badges are provided that teach 7 ways to be responsible. Please cut them out. Star decals are also included to add some extra color and design to the board. Feel free to lay out the bulletin board however you'd like, or follow the sample here:

# DIRECTIONS PAGE 3:

## Writing Activity:

A writing activity is included that lets students share how they can be a Responsibility Hero. Students can color and cut out the Rae topper. Then, they can write how they are a Responsibility Hero on the lines. Next, they can glue Rae to the top of their paper. Here is a sample:

Name: Jonathan Young

## I AM A RESPONSIBILITY HERO

I do my chores, finish my work  
at school, and help others. I  
follow the rules. I take care  
of my belongings. I don't lose  
my things.

# DIRECTIONS PAGE 4:

## Design Your Own Superhero Cape:

One-page and enlarged over 4-page versions of a superhero cape are included. Students can decorate these and cut them out to create their own Responsibility Hero Cape. For the 4-page version, please cut out each piece then tape or glue the 4 pieces together to form the cape.

## Worksheets & Coloring Pages:

Assorted worksheets and coloring pages are included. Please choose those that best fit the needs and abilities of your students, and the amount of time that you have.
