# Directions:

This BINGO game is an engaging and FUN way to teach and review the role of the school social worker!

25 BINGO boards and 24 calling cards are included.

Please print the calling cards and BINGO boards.

Please cut out the calling cards. I recommend laminating the BINGO materials or printing them on cardstock so you can use them time and time again.

This game is played like a traditional BINGO game. To play, the educator chooses a calling card out of a bucket or bag and reads it aloud. Then, students place a marker on the space that was called. The middle space is a FREE SPACE on each board. The first player to get 5 spaces in a row, wins!

Questions, comments, or suggestions? Please feel free to contact me any time. I'm here to help!
